Enterprise Workflow Automation	Bespoke automation across legal, HR, and football operations.	4–8 weeks
Commercial & Operations Suite (any 2+)	Department-wide deployment across any two or more modules.	8–12 weeks
StrataOS Enterprise Platform Licence	Comprehensive platform with dedicated customer success and support.	Annual partnership

COMMERCIAL TERMS

01 Platform implementation is completed prior to activation of subscribed modules.

02 All licence fees are billed annually in advance, from contract execution.

03 Standard agreements: three-year partnerships, 5% annual licence adjustment.

04 Renewals include continuous platform enhancements and support.

Start with a strategic assessment across finance, commercial, supporter, and football operations.
