Platform

Modules for clubs from League Two upward, assessed, integrated, and licensed as one connected platform.

MODULES AND ENGAGEMENT MODELS

AI Assessment	Complimentary review of ticketing, CRM, finance, and operations, with an ROI-ranked roadmap.	2 weeks
Platform Setup & Systems Integration	Secure integration and onboarding across your existing systems.	2–4 weeks
Supporter Renewal & Retention	Predictive renewal-risk scoring and automated, personalised engagement.	3–5 weeks
Finance Automation Suite	Automated reconciliation and anomaly detection across finance systems.	3–5 weeks
Commercial Intelligence Suite	Unified dashboards for commercial performance and partner ROI.	2–4 weeks
Hospitality Operations Suite	Automated bookings, guest management, and catering reconciliation.	2–4 weeks
Compliance Intelligence Platform	Real-time squad cost and regulatory monitoring. Priced and delivered separately; see the Compliance overview.	6–10 weeks
Bespoke Operational Automation	Tailored automation for club-specific operational challenges.	3–6 weeks
Operational Suite (any 2+)	Any two or more modules, integrated into one connected platform.	5–8 weeks
StrataOS Platform Licence	Full access to all five non-compliance modules.	Annual partnership

COMMERCIAL TERMS

01 Platform implementation is completed prior to activation of subscribed modules.

02 All licence fees are billed annually in advance, from contract execution.

03 Standard agreements: three-year partnerships, 5% annual licence adjustment.

04 Renewals include continuous platform enhancements and support.

Start with a complimentary operational AI assessment: ticketing, CRM, finance, and operations, reviewed in two weeks.
